## VOLUNTEER WEEK

To all the residents of our community who give their time to volunteer for various committees and organizations we say

**THANK YOU**

## TRAILS, TALES & TUNES

Our festival is right around the corner and on May 2nd we will be hosting the Mattie Mitchell Walk. The excitement is building and preparations are almost finished.

This year events promise to be absolutely incredible. We hope that everyone from near and far are able to participate in some way.

The surrounding area has been generous with donations and we are very grateful to all who have contributed.

As you all know, the Trails, Tales & Tunes Festival has become an integral part of the tourist industry in our area.

It wouldn't be possible to organize an event of such magnitude without volunteers.

"The ultimate expression of generosity is not in giving of what you have but in giving of who you are."

Thank you everybody, we hope you enjoy our 2010 gala affair!
