

The Bartlett Celebrations

During August 10,11 & 12, 2009 Norris Point will be celebrating Captain Bob Bartlett Days.

The Schooner " Bowdoin" was built during the winter of 1920-21 and used for Arctic Exploration. Celebrating Bartlett 2009 is a program to enhance Captain Bob Bartlett's Legacy. This will be a good time to discover more about this nationally and internationally renowned Newfoundland and Labrador Captain. There will be music, drama, concession stands, etc. So please join us in the celebrations.

Anyone interested in having a concession stand at the waterfront, please call the Town Office and leave your name and phone number and someone will get back to you with more information sometime closer to the date of the event.

Happy Retirement

Loretta Parsons who has worked part time at the Town Office as the Town Clerk Assistant for the past twenty years will be retiring at the end of June. We thank her for all those years of valuable service and wish her well in her retirement. Good Luck Loretta!

The Town has hired Vanessa Hilliard as the Town Clerk Assistant. Vanessa started work on June 8th. Welcome Vanessa and we look forward to working with you.
