Boil Water Advisory

The Town Maintenance will be doing their annual fall flushing the week of October 17th- October 21st. During this time you may notice some discoloration in your water and/or low water pressure.

As a result of this flushing, the entire Town will be placed on a PRECAUTIONARY BOIL ORDER until further notice!!

Town Plan

Town Plan review is still underway and the Town Planner will be hosting another public meeting to reveal the proposed documents. Public will be notified once dates are confirmed.

Capital Works Funding

The Town has received funding to upgrade some of the lift stations within Town.

Snowclearing

Winter season is quickly approaching, Snow Clearing Services will be resuming, and we would like to remind property owners that Council will not be responsible for property damages caused due to snow clearing operations. In areas where the by-roads and lanes are very narrow it is suggested that property owners place markers on the edge of their properties.

Have a safe and Happy Halloween!

**Trick or Treaters will soon be on their quest for goodies. Drivers are reminded to slow down & take extra care. Children should wear reflective clothing or arm bands so they are easily visible.
