## **Proposed Municipal Plan and Development Regulations Amendment**

The Town Council of Norris Point is considering a request to amend the Municipal Plan and Development Regulations. In accordance with Section 14 of the Urban and Rural Planning Act, Council is seeking input from residents on the proposed amendment before considering it for adoption.

The owner of property at Civic No. 9, Harbourview Drive has requested an amendment to the Municipal Plan that would re-designate a portion of the 5 ha property to the Residential land use designation from the Environmental Protection land use designation, to recognize the existing residential use of that portion of the property. A corresponding amendment to the Development Regulations is also requested to rezone the portion of the property to the Residential land use zone.

A copy of the proposed amendment may be viewed at the Town office. Residents are requested to notify Council in writing by mail, facsimile or email by June 12, 2019, with any comments or concerns regarding the proposed amendment.
